## NHS How to Order: 🛒

If the NHS Trust you work at has Agile Medical set up as a supplier, you will just need a quotation from Agile Medical for the products you require.

Depending on how the Trust internal order process works, the quotation should be used to raise a requisition internally for Procurement to raise an official Purchase Order.

📧 Orders can be sent to our sales@agilemedical.co.uk email address.

📬 Or alternatively send as a hard copy in the post to: **Agile Medical**, South Humberside Industrial Estate, Estate Rd 2, Grimsby DN31 2TG

📞 For orders over the phone, our representatives will require your full contact details, invoice and delivery address as well as the Purchase order number. A proforma invoice with our company bank details will be sent to your Finance team to make payment.

🔄 Payment can be made via Bank Transfer or cheque. Unfortunately at this time, we do not have the facility to accept payment over the phone.
