

# Clappy Waste Bag Holders

**Hands-free, hygienic healthcare.**

Manufactured with grade 304, seamless-welded stainless steel, the Mobile Spring Shut Waste Collector always stays closed when not in use, helping to safely contain odours. Lockable castors provide stability for hands-free operation by foot pedal.

**Features:**

- Holds a 40L or 70L bag
- Bottom plate (ABS)
- 4x 75mm castors, 2x braked (housing zinc-chromated).

**Dimensions:**

Width (mm) 664, Depth (mm) 458, Height (mm) 950
