

# Privacy Screens - Solid

## Features:

- Choose from 3 heights (up to 1.85m)
- Choose from 3 lengths (up to 2.7m)
- Create safe spaces without reducing capacity.
- Instantly create an infection isolation zone.

**A safe, sturdy and sanitary solution.**

A safe privacy screen system for optimal infection control and care. The smooth surfaces of the system allow for quick sanitisation with standard healthcare cleaning products between patients, ensuring a hygienic environment with minimal downtime. Compact when not in use, versatile when in use, our mobile solutions provide the optimum solution to create privacy and protection in any care setting.

## Ordering:

| Product                                           | Height | Code              |
