

# infinity

## MHD

### The mobile shelving system by Agile Medical.

Maximum flexibility and great space savings – fully accessible without floor rail.

#### Features:

- Lightweight construction – stable aluminium
- Pass-through feature – workflow from both sides
- Add on to existing Infinity or individual solution
- Only 1 aisle necessary for 5 shelves
- All mechanical – no need for electricity
- No need for floor fixation.

# Infinity MHD

## Free choice of accessories

Equip your Infinity MHD with the ISO modular tray system.

## Endless possibilities

We plan your customised shelf according to your wishes.
